

# Kick Start SOCCER

## Child Development Program: 6 Classes - \$100

Kick Start Soccer is a six-week program for 2-4 year old boys and girls. Our program focuses on the development of motor skills, coordination, fun, friends, and comfort with the soccer ball. We understand that happy kids are more receptive to learning, so there is a large component of fun in everything we do.

**Who is eligible:** Classes are for kids born between March 12, 2013 - March 12, 2015.
