Players in the Academy ages will be coached by high level Earthquakes staff, coached in similar sessions to that of the Academy program, with advanced technical and tactical training. Players must currently be playing at the NPL, Premier or Gold level.

PRE-ACADEMY

EARTHQUAKES PRE-ACADEMY CAMP

Open to boys and girls age 7-18.

The Pre-Academy Camp is the Earthquakes' most desired camp for competitive players of any level from ages 7-18. Players of all competitive skill levels are welcome at this camp. We want to push every player to the next level and our camp staff will run through technical training, small-sided tactical understanding with 1v1, 2v1 and 3v3 environments, then into scrimmage play that understands how teams work together as a unit.

GOALKEEPER

The art of being a great goalkeeper comes through great training. Goalkeeper Camp is for aspiring goalkeepers to work on, and learn, proper technique for distribution, diving, receiving, and making decisions in the box.
